The Basics of Life...

Christianity 101 = I was raised to be a Christian. At 5 Years Old, I officially of My Own Free Will prayed and asked Jesus Christ to be My LORD and Savior from Sin. I was watching one of my favorite Christian-based Children's Television Programs and prayed along with the Pastor. Like many American Christians, Bible Study and Church Attendance was not made a priority. In Middle School, I decided to start making Bible Study a priority in My Daily Lifestyle. When I turned 18 Years Old, I decided to start making Church Attendance a priority in My Weekly Lifestyle. I also decided to change My College Choice from a Large, Prestigious University Out-of-State, to a Small, virtually unknown In-State Bible College. My Goal was to Learn more in-depth about the Religion I professed. Well, that My Friends & Foes, is the super duper s-h-o-r-t version. Stay tuned for the Mini-Series. (lol) ;)

Favorite Bible Verse = This is so hard! There are so many that I love! Ok... (lol) *"The LORD blessed the latter part of Job's life more than the first."* (Job 42:12, NIV) This helps remind me that no matter how Happy, Sad, or Neutral Life may be in the Moment, God always has so many more Blessings to Give Me! ;)

Favorite Book of the Bible to Read = In the Old Testament, "Proverbs". In the New Testament, "Revelation". ;)

Favorite Biography to Read in the Bible (other than Jesus Christ) = Joseph. I relate to his story on too many levels... Again, s-h-o-r-t version. (lol) ;)
