Favorites...

HOBBIES = Fashion, Music, Movies, TV Shows, Reading, Writing, Video Games, Arts & Crafts, Decor, Cooking, various Collections, and Hanging Out. It's cool because my "Hobbies" also double up as Work Time.

Which is 100% intentional on my part. (lol)

COLOR = I luv when people ask me this because they automatically assume that it's "Pink". Pink (and its various shades) is one of my Favorite Colors, but My #1 Fav is actually "Green". The funny thing is though, I have way more Pink things (and use Pink more in Graphic Design, etc.) than I do Green. Sooooo, I don't know what to say about that... (lol)

FOOD GENRE = Definitely Italian! **FOOD** = Cheese

SODA = Root Beer

HOT TEA = It's a 3-way tie between Green Tea, Earl Grey, and Peppermint. Also, I prefer to sweeten my Tea with Honey.

ANIMAL = It's a 5-way tie between Pandas, Koalas, White Terrier Dogs, Polar Bears, and White Tigers. (lol)
