

Letter From The Editor ~ *Ruth Tynes*

SEASON I ~ JULY 2018

Happy July 2018!!! A popular saying is, "If I could redo My Life, knowing what I know now..." [Voice drifts off without completing the sentence] I haven't lived too long, but I have definitely said this quote at least a minimum of a dozen times throughout My Life thus far. (lol) Usually as a result of 'My Heart being broken' (aka - "disappointment) because of someone else's (aka - Family, Friends, a Mentor, a Guy, etc.) actions (or lack thereof).

Spotlight on Ruthie T. FINISH THE SENTENCE RUTH!
"If I could redo My Life, knowing what I know now,
I WOULD _____."

Ok. So do it! Today! Tomorrow! For the rest of Your Life! Live Your redo! You owe it to Yourself. You survived. Now get what's due You! ;)

... If You don't, then it's nobody's fault but You. Then, you deserve what you don't get.

Oh. Well hey everybody! (lol) Oooops, well, I guess this will have to be the 'Letter From The Editor' this Month... So, uh, yeah. No! I confess... You know I was talking to you too... ;) Now! Let's do this! =)

Love, *Ruth*
